

Application for a school allowance

The costs of sending a child to school can add up. That is why families with school-age children receive financial support in the form of a school allowance.

You are entitled to a school allowance if

- Your child is enrolled in nursery school, primary school, secondary school, special education or HBO5 Nursing;
- Your child meets certain criteria, such as sufficient school attendance;
- And is at a school recognised, subsidised or financed by the Flemish Community.

Important

If you receive a child benefit for your child/children, you **will automatically receive this benefit if you are entitled to it**. You do not need to use this form. What's more, you don't have to take any further action.

You should fill in this form if

- The student is over 25 years old and is studying HBO5 Nursing;
- The student is over 25 years old and enrolled in special education;
- The student is enrolled at Eureka, Leerwijzer, Safe, Sint-Ignatius;
- Your child does not live in Flanders, but attends an educational institution recognised by the Flemish Community and you do not yet receive a child benefit.

Note:

- You may not receive a school allowance if your child is being educated at home, in hospital education, secondary education (CVO) or private education. Eureka, Leerwijzer, Safe en Sint Ignatius are private schools that are recognised, so pupils enrolled here are entitled to an allowance.
- Is your son or daughter enrolled in a vocational school or university? You will no longer receive a school allowance, but may be entitled to a 'study allowance'.

Do you not yet receive a child benefit?

You can easily apply for a school allowance online at www.myfamily.be/schooltoeslag/. Or you can fill in, sign and return this form:
